The customer must provide electrical supply with two (2) power outlets available nearby for rental items. A 50ft power extension cords would be provided; any additional extension cords needed to supply power must be provided by client.

The customer is to respect the attendant/s and allow them to do their job as they are trained accordingly and will ensure the safety of the children.

The customer is liable to pay the cost to repair or of replacement as required for any damages incurred to rental items by the customer or on the customer’s premises by guest.

The following rules are a legal requirement and are designed to ensure the safety of all users.

- **NO FOOD OR DRINKS** TO BE USED on our inflatables
- Children on the inflatable should be of a similar age and stature. The supervisor should monitor the number of children allowed on at any one time.
- Children will be asked to remove shoes, spectacles and any sharp objects, such as buckles, pens, knives etc. before entering the inflatable.
- No flipping. No piling on. No wrestling. No horseplay. The supervisor will not allow any activity likely to result in injury
- Do not climb on walls or netting. Do not allow users who are taller than the outside walls, when standing on the inflated bed, to use the unit. Do not play on the front apron. Never jump or play on a partially inflated unit.
- All anchor points must be secured firmly to the ground or other solid point at all times.
- **WARNING!** Due concern and awareness should be given to prevailing wind conditions. The inflatable can turn over in high wind, which could result in injury to users. Do not operate until adverse weather conditions cease.
- Ensure that no one goes near to the fan. All electrical equipment in use should have adequate protection in inclement weather.
- Play should not be allowed on wet surfaces or during persistent rain. During rain, expel all users, switch off the fan and allow deflating naturally. Cover unit with tarpaulin provided.

There are inherent risks in the participation in or on any amusement ride device or attraction. Patrons accept the risks inherent in such activity. Patrons have a duty to exercise good judgment and act in a responsible manner while using the equipment and to obey all oral and written warnings.

I have read and understand these rules. I will see that they are enforced.
